

The Friends of Sandall Park

Equal Opportunities Policy Statement

The Association is committed to equality of opportunity to all and will actively oppose all forms of discrimination.

The Association will ensure that no person is denied membership on the grounds of Gender, Ethnic Origin, Political or Religious Beliefs, Sexual Orientation, Disability or for any other unjustifiable reason not mentioned.

None of the above mentioned would receive less favourable treatment than other members except when a related Legal or Criminal action renders this action legally justifiable.

The Association will proactively promote the need for, and advantages of, access to public open spaces throughout the Borough, particularly its policy of non-discriminatory practices and access for all.

The Association agrees to ensure that Community Groups using the site whether affiliated to our Association or not, adopt an equal opportunities policy the same as or similar to our own.

Signed on Behalf of the Management Committee.
